## Postmaster Offers Timely Hints For Christmas Mail

Faced with the certainty that Christmas 1963 will set an all-time record for mailings of Christmas cards and gifts, Postmaster Marey E. Brady today requested your cooperation in her annual 'Mail Early For Christmas' Campaign.

The Postmaster said — "Here are the things to watch to be sure that every Christmas card and gift package will be delivered before Christmas Eve. —

FIRST, check over your Christmas card and gift list very carefully — be certain each address is complete with full name, street and number, city, state and zone or ZIP Code number.

SECOND, stock up soon on sturdy packing materials for your gift packages, including heavy wrapping paper, corrugated cartons, strong cord and paper adhesive tape.

THIRD, buy your postage stamps now. Be sure to use the colorful new five cent Christmas Tree stamps on your cards.

FOURTH, procure free labels from your post office which read "ALL FOR LOCAL DELIVERY" and "ALL FOR OUT-OF-TOWN DELIVERY", so that you can sort your Christmas cards

into two groups, with addresses all facing one way, thus insuring fast delivery.

FIFTH, be sure that your full name and address is on all of your Christmas card envelopes and shipping labels and be doubly sure to include your ZIP Code number in your return address.

The Postmaster especially requests that you schedule your Christmas mailings so that all of your cards and gift packages going to most distant points are mailed by December 10th.

## SOCIAL SECURITY

### Questions and Answers

**Q.** How much would my family get in social security payments if I die? I'm 32, married, and have three small children. My earnings from 1954 through 1959 were \$4300 a year. Since then, I've earned \$5200 a year.

**A.** Your widow would get a lump sum death payment of \$255. She and the children would get monthly payments of \$254. These are the maximum family benefits that can be paid.

**Q.** I've been making over \$5000 a year since 1956. I recently took your advice and checked my social security record. The statement I got back is wrong. It shows credit for only \$4800 a year. Why is this?

**A.** \$4800 a year is the maximum amount of earnings that can be credited toward your social security account. Even if you earn more than this amount, only \$4800 is on your record. You do not pay the social security tax on earnings over \$4800.

**Q.** I was born in 1895, and have earned \$4800 a year since 1958. How much would I get if I retired today after being paid over \$4800 in 1963?

**A.** You would be one of the few people who can qualify for the maximum benefit of \$127 a month. This is the first year the maximum retirement benefit of \$127 can be paid, and persons born later than 1895, even though they may have earned \$4800 or more a year will not yet be eligible for that top benefit amount.

**Q.** My uncle who died recently was receiving social security benefits of \$98 a month. I was told his burial expense payment would be three times his monthly payment. Is this true?

**A.** The lump sum death payment is three times the amount of the monthly retirement benefit, but cannot exceed \$255. Because three times \$98 is more than \$255, the maximum lump sum death benefit of \$255 would be payable on account of your uncle's death.

**Q.** I worked for 3 different employers last year. I don't remember being asked for my social security number. How can I find out if all my wages have been reported to social security?

**A.** Ask the social security office for Form OAR-7004, fill it in and mail it. In a short time you will get a statement back from the recordkeeping office in Baltimore, Maryland, showing the earnings that have been reported for you. If the statement is not correct, go to the nearest social security office with your W-2 statements, pay stubs from your employer, or any other record you have which shows the correct amount of your earnings. The folks there will help you get your social security records corrected.

## PILFERAGE HITS NEW HIGH

High on the list of shockers is the disclosure that thefts by employees from employers now has hit an all-time high annual rate of \$1 billion. This figure represents the thievery of a wide range of articles—from pencils and stamps to high-cost merchandise and equipment.

In making public the latest tally on industrial pilferage, W. Sherman Burns, of the widely known Burns detective agency, had even more doleful news. He said that the \$1 billion figure was based on insurance loss statistics and did not take into account mysterious losses that, while known to have taken place, could not be proved to the satisfaction of the insurance companies.

This adds up to a deplorable state of affairs. Aside from its moral implications the thievery is resulting in a drain on the economy which is detrimental to national interest and to the well-being of all Americans.

It is truly astonishing how some employees who seemingly are law-abiding and would not think of engaging in common criminal activities still will resort to thefts from the very companies that make their livelihoods possible.

Mr. Burns urges the installation of stronger security measures in all business and industrial establishments. This is a natural first step but we believe that the clergy can also play an important role in the drive by inveighing against the immorality, as well as the criminal nature, of industrial pilferage.

## Chalkliners Rehearse

Roger Talbot hovers threateningly over Alice Jones while Roy Durfee looks on with approval. Actually, this is a scene from the Chalkliners' new production, "See How They Run", and Roger, as "Clyde" is trying to revive the Vicar's wife as played by Alice, who has fainted, see, and the Bishop of Lax, that's Roy, who is Penelope's (that's Alice) uncle, is urging Clyde on because he thinks that Clyde is Penelope's husband . . . but he isn't! Well, you should BE there to appreciate the rib-tickling British farce being served up by the Chalkliners at the Phelps School Auditorium on Dec. 6 and 7 to benefit the Agawam Women's Club scholarship program.

The Women's Club began its scholarship efforts back in 1930 when the first loan for the furtherance of the education of an Agawam young woman was made. Later, in 1958, the loan program was changed so that outright grants of cash could be made to outstanding students from the graduating class of Agawam High School. Each year one student receives this grant so that he may find the road to a higher education a little less rocky.

The members of the Agawam Women's Club have tickets for the show now for those who want to buy while the 'gettin' is good'. Any tickets left on the night of the production, will be sold at the door, but don't take that chance!

The Chalkliners have been the only representatives of the legitimate community theater in Agawam for many years, and under the direction of Mrs. Doreen Deliso, with a veteran cadre of actors and crew, has become one of the finest little theater organizations in Western Mass. Included among Chalkliners credits is the coveted Best Production Award of the Berkshire Drama Festival, which led to the Chalkliners' highly successful production of the Festival at the Eastern

States Park in West Springfield last season.

The group's new rehearsal hall at 315 Walnut Street in the Agawam Shopping Center is alive with preparations for "See How They Run". Serious aspirants for membership may drop in Monday evenings, or call the director at RE 4-1285. Male actors, technicians, or those with usable skills backstage may expect prior consideration. Novices will be considered if they are willing to take direction, and flexible enough for this demanding avocation. Remember, those "who always wanted to act" often make the best actors.

"See How They Run" is the Chalkliners' major pre-Christmas production. Plans for forthcoming one-acters as well as the club's traditional social get-togethers are already well under way.

## SPORTSMEN'S CORNER

By Bill Chiba

Moe Eaton of West Fairlee, was up to the wee hours of Saturday morning, Nov. 9th, turning away hunters who had not made reservations for the coming deer season in Vermont. Moe and Margaret had reached bursting capacity two days before by way of the telephone with 30 hunters expected at the breakfast table.

The town of Agawam was well represented with the following hunters present: Frank Karakala, Dave Blackburn, Bob Cooley, Wally Kimball, Leon Glidden, Noel Brown, Thom. Whyte, and this writer. OOPs! almost forgot Doc Baldwin.

The first day proved very fruitful for six hunters residing

at the farm house. Dave Blackburn downed a six point buck that dressed out at 182 pounds; Bob Cooley, 110 pounder; Henry Levesque, 99 pounder, Moe Eaton, 112 pound animal, Joe Galas, a spike horn, and Joe Fajac, a 117 pound 7 point buck.

Wally Kimball is sure the hard luck fellow. The first morning, while hunting down in the swamp across the road from Moe's house, he had a rack buck walk right up to him. Wally pulled up the rifle — took aim — pulled the trigger . . . nothing but a big loud "click". He had forgot to put a shell into the chamber of the rifle. Bob Cooley's tears like to flood out the swamp. "Can't figure out whether he was crying or laughing."

Moe attributes the high success ratio the first day to the deer not being molested by bow-hunters and bird hunters, the woods having been closed because of drought conditions before the rifle season opened. However, this does not prove to be true statewide, for the kill for the first three days is approximately 1,000 below the number bagged last year for the same length of time . . . this is surprising.

Moe usually has a full house for the bow season, but not so this year, so far he has three reservations for the 30th of November when the season opens.

## Unexpected Bonanza

Henry Guidi of Agawam on the left is helping Fran Covel of Springfield hold the Bob Cat that Fran shot while hunting rabbits with Henry and O'Neill Bisson in Montville, Mass. The cat weighed 23 pounds. Oh yes, Fran collected the ten dollar bounty.

It is a far cry from 30. I believe that this will be the case for the rest of the state. The fellows feel that it will be useless hunting the deer with the bow in deep snow and freezing weather. Bowhunting is 90% waiting for the deer to come to the hunter. Below zero temperatures will not enhance the chances of success for the bow hunters who do brave the elements. However, this writer will be up to Moe's for the first day along with Gene Hall, Doc Baldwin, and Leon Glidden. We are anxious to give the "after rifle season" hunting a go. Who knows it may be more fun and more productive than the pre-season.

## Agawam Topples Rival West Side 22-2

The Agawam Brownies won their third game in a row in the AA Conference Saturday by defeating perennial rival West Side in their 40th meeting. In this rivalry the victory broke a three game winning streak by the Terriers and left them 3-3-0 in conference play while the Brownies are 4-2-0 and hold a 26-12-2 series edge.

In the first half the West Siders ran for 32 yards but the Brownie defense stiffened in the second half allowing only two yards. The Terriers passed for 165 yards and had a total of 15 first downs. Agawam gained 116 yards rushing and 19 passing with six first downs.

Ed Harashuk scored first on a fancy 19 yard run which was set up by a Bob Morin run and a fourth down pass good for 11 yards to cap a 72 yard drive. The extra points were made by Hara-

shuk who ran through the right side. The Brownie defense stopped a 73 yard Terrier drive at the one foot line when Rick Serafini was run out of bounds short of the goal with a Tommy Briggs pass. Agawam took over at this point and Harashuk was hauled down for a safety which proved to be the only points West Side scored.

Later in the second period West Springfield had the ball on the seven of the Brownies after a 52 yard march when the clock ran out.

The Agawam defense took over the limelight in this half with the line nailing Len Bucko trying to punt from his 28. Agawam's Bob Morin scored the TD and Ed Harashuk ran for the extra points that upped the score 16-2 after just six plays.

Bob Morin intercepted a Briggs pass on the West Side 35 and went all the way to put the game out of reach for the Terriers at 22-2.

The entire defensive unit played a fine game but special note was made of defensive end Phil DeForge who along with Ron Young and Dick Chandler put a lot of pressure on the West Side quarterback. Also excellent was the defensive backfield with Rick Morin, John Michalek, Bill Polopek, Ronnie Penna and Bob Morin. The scoring stars were Bob Morin with two touchdowns and Ed Harashuk with a touchdown and two conversions, but they could not have done it without the fine blocking of the line.

Next week's game is against undefeated Chicopee at Harmon Smith Field, which should prove to be a rough one for all concerned.

## Placekicker

Bob Fox, formerly of Agawam, has just completed a most successful season as placekicker for the Farmington High School Football Team.

Bob, pictured above, is currently in his Junior Year and is playing his first year of football. His form, as well as accuracy has proven him to be one of the top placekickers in the Northwest Conference. Some of his longest kicks have topped the 40 yard mark.

While in his first season as placekicker Bob has compiled a 500 pct. for extra points and has made over 50% of his field goal attempts.

Bob has played both varsity and junior varsity in his first season, and defensive tackle in addition to his kicking duties. His most important field goal of the year came in the last junior varsity game with Canton. From 30 yards he booted a perfect field goal, which proved to be the winning margin of a 3 to 0 Farmington victory.

Bob would like to personally express his gratitude and thanks to Roger LeClerc, place kicker of the Chicago Bears, for the help and pointers he was given while living in Agawam.

## TURKEY SHOOT

Another enjoyable Turkey Shoot was held by the Veterans of World War One at the Agawam Sportsman Club on Corey Street last Sunday. Those who participated in the afternoon sport and took home a Turkey for their Thanksgiving Dinner included M. Basile, Gary Schneider, R. S. Bourke, Paul Lavigne, Ray Gardner, Henry G. Long, Robert B. Wright, Mr. Fetteben, M. Neuger and Jocko.

The next shoot will be held next Sunday at the Agawam Sportsman Club. At this shoot a grand slam shoot will be held with the winner receiving a 16 pound turkey and a basket of groceries for his Thanksgiving Dinner. Door prizes will be awarded in addition to the regular prizes.

Better come down and try your skill and maybe take an entire dinner home for Thanksgiving.

Unmarried minor children of deceased veterans may be eligible for pension payments even when their mother, the veteran's widow, is not eligible, William F. Connors, manager of the Boston Veterans Administration regional office pointed out today.

The widow may be ineligible due to having remarried or because she has income in excess of established limits. Her ineligibility does not make the veteran's minor children ineligible.

Children of deceased veterans may be eligible for pension until they are 18 years of age, or 21 years if attending school, provided that they are unmarried and that their own personal incomes or estates are not greater than

the regulations allow.

Connors pointed out that when a widow with children is already on the pension rolls, the subsequent ineligibility of the widow poses no problem. Pension payments to the children are continued after the mother's name is removed from the rolls.

However, in cases where the widow has never applied for a pension, or whose application was not allowed due to her remarriage or excessive income, the VA may have no record of any minor children to which payment should be made.

Full details as to how minor children may file pension applications may be obtained at any VA office.

## E. L. Coin-Stamp Club Meet Sunday

The East Longmeadow Coin & Stamp Club will meet at 6 p.m., Nov. 24th, at the American Legion Hall, Gunther Rowley Post, East Longmeadow. Dr. I. Jacques Yetwin will be welcomed back as guest speaker. His topic for the evening will be "The Worlds Most Valuable Stamps" and will be illustrated with colored slides.

Dr. Yetwin has been a general collector for 45 years and has a personal collection of over 93,000 items. He has lectured extensively to stamp groups, civic organizations, and rehabilitants throughout the state in the spare time which a busy practice of medicine has allowed. He is a member of the American Philatelic Society, the Pioneer Valley Stamp Club of Springfield, and is currently the Brigade Surgeon of the Third Brigade for the 26th (Yankee) Division of the Massachusetts National Guard.

Dr. Yetwin is the author of several articles which have appeared in the Journal of the American Philatelic Society, in the medical news magazine "M D", and in the Springfield Daily News. The Adult Education Division of the Springfield Public School System inaugurated a course on the "Art & Science of Stamp Collecting" on Oct. 3, 1962 and Dr. Yetwin was selected as the first instructor of this course.

The public is most cordially invited to attend this meeting on the 24th of November. Refreshments will be served and an auction of coins and stamps will conclude the evening.

## WARN TEEN-AGERS ON TAILGATING

The Automobile Legal Association today warned tailgating teen-agers that unexpected death and twisted metal can result from the dangerous practice of following other vehicles too closely.

According to the A.L.A. survey, many teen-age drivers have been observed racing away from parking areas only to be followed closely behind by other youthful drivers. Often times, rear-end collisions are narrowly avoided because one driver is forced to slam on his brakes in a hurry.

Statistics have shown, the A.L.A. pointed out, that tailgating is responsible each year for thousands of accidents, and many deaths. Leaving a distance of a car length between you and the vehicle ahead, for every 10 miles-per-hour of speed, is advised.

The biggest coin ever made was Sweden's 24-inch long, 44-pound copper "X-Daler" (ten-dollar) piece issued in 1664.
